The Answer should state: (1) the circumstances or arguments which are alleged to constitute the grounds of defense; (2) a concise statement of the facts which you intend to place at issue in the hearing; and (3) whether a hearing is requested. Hearings held in the assessment of the civil

penalties will be conducted in accordance with the provisions of the Administrative Procedures Act, 5 U.S.C. §§ 551 et seq., and the Consolidated Rules of Practice. See 40 C.F.R. Part 22.

If you fail to file an Answer to this First Amended Complaint with the Regional Hearing Clerk within thirty (30) days of receipt, such failure shall constitute an admission of all facts alleged in the Complaint and a waiver of your right to a hearing. The proposed penalty shall become due and payable by you without further proceedings sixty (60) days after a final order issued upon default.

#### SETTLEMENT CONFERENCE

EPA encourages all parties against whom civil penalties are proposed to pursue the possibilities of settlement through informal conferences. Therefore, whether or not you request a hearing, you may confer informally with the Agency concerning the alleged violation or the amount of the proposed penalty. You may wish to appear at the conference yourself or be represented by counsel. If a settlement is reached, it shall be finalized by the issuance of a written Consent Agreement and Final Order by the Regional Judicial Officer, EPA, Region IX. The issuance of such Consent Agreement and Final Order shall constitute a waiver of your right to request a hearing of any matter stipulated to therein.

To explore the possibility of settlement in this matter, address your correspondence to:

David H. Kim  
Assistant Regional Counsel (ORC-3)  
U.S. Environmental Protection Agency, Region IX  
75 Hawthorne Street  
San Francisco, CA 94105

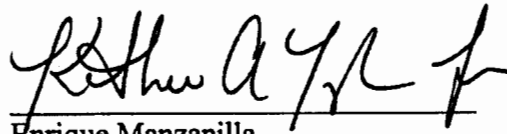

His telephone number is (415) 972-3882.

Instead of requesting an informal settlement conference or filing an Answer requesting a hearing, you may choose to pay the proposed penalty. In order to do this, please contact Mr. Kim

to arrange for the preparation of a Consent Agreement and Final Order.

After this First Amended Complaint is issued, the Consolidated Rules of Practice prohibit ex parte (unilateral) discussion of the merits of any action with the EPA Regional Administrator, Chief Judicial Officer, Administrative Law Judge, or any person likely to advise these officials in the decision of this case.
